

Ultimate Bride

3 months before big day

Come in and have a full skin consultation to learn what products you should be using to create a beautiful skin. A facial is the first of many treatments.

2 months to go

Keep that skin glowing with another facial and have your eyebrows shaped.

6 weeks to go

Stop stressing with a full body massage, sauna and facial.

5 weeks to go

Facial to keep on glowing and mini manicure and pedicure to get them ring ready.

4 weeks to go

Let your worries float away with a session of reflexology and flutter those lashes with a set of extensions.

3 weeks to go

Relax with your maid of honor and have a facial then slip into the spa with a glass of wine and strawberries.

2 weeks

Enjoy a full body mango scrub followed by a mud wrap to hydrate and smooth your skin. Leave here with a tan to envy after we spray one on.

1 week

Come in for a full leg wax, Brazilian, under arms and eyebrow shape. Enjoy a facial before we trial your make-up and refill your lashes.

2 days to go

Have your hands and feet polished and preened to perfection. Become a bronzed goddess after we top up your tan.

Today's the day

Relax and have your make-up done and be transformed into the princess you are.

BEAUTIFUL BRIDES

Top to toe beauty and pamper in the one place. Take some time out from the stress of planning or treat your brides maids to a girly day out. We have packages suited for everyone for the lead up and finishing touches for the biggest day of their lives.

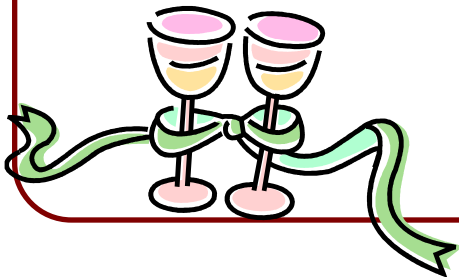

Don't forget the mum's want to look their best too, so be sure to include them.

We haven't forgotten the fellas, they can have a package tailored to suit them so that they are prepped, preened and polished for the I do's.

We recommend that you start your beauty preparations approximately 6 months before the big day to ensure you are at your best. We will give you practical advice about your home care to keep looking your best even after the big day is long gone.

For Brides on a budget or those that want to splurge, we can tailor a package to suit anyone and everyone.

Come in for a free consultation to discuss what will work for you and your bridal party.
